

# AMRITA VIDYALAYAM BELAGAVI

## CURRICULUM

Amrita Vidyalayam always symbolizes value-based education, modern techniques and spirituality. Our main vision is the all-round development of students and to make the pedagogy effective, meaningful and applicable to the needs of the times and also to adorn our students to face variegated challenges. It gives us immense pleasure to convey that the eminence achieved by our students in the scholastic and co-scholastic aspects, has been receiving commendation it really deserves.

Amrita Vidyalayam seeks to develop in our students the ability to think beyond the boundaries of the class walls, the text in the book and the exam marks. In fact, the objective is to shape a child's mind to learn not just for the grade he is in, but to learn for life. The goal is to promote need based learning of not just the standard subjects but also life skills like value education, fitness, etiquette and team work

Attached here with is the curriculum prepared as per the directives and checklist provided by the CBSE.

### **VISION, MISSION, & FOCUS OF THE SCHOOL:**

- **THE VISION:**

To be recognized as a leading school known for delivering an outstanding student experience and impactful, socially responsible research in a value-based learning environment.

- **THE MISSION:**

To provide value-based education and mould the character of the younger generation through a system of wholesome learning, so that the earnest endeavour to achieve progress and

prosperity in life is matched by an ardent desire to extend selfless service to society, one complementing the other.

- **THE FOCUS :**

It is the larger goal of this institution to mould the student to face socio economic changes in the society.

### **Consultations and discussions held with teachers for preparing the annual plan.**

We follow a system of continuous evaluation that covers both the scholastic and non-scholastic aspects of a students' growth. The annual plan is prepared by the teachers keeping in mind Blooms taxonomy. The Principal, Heads of Department and Academic in-charge teachers discuss each lesson plan in detail. Based on this discussion and recommendations, a detailed weekly plan is designed and teachers work to put this into practice.

### **Goals to be achieved –Annual and Long Term**

Ours is a consciously and thoughtfully designed all-inclusive curriculum. With a consistent track record of 100% pass percentage every year by our AISSE students, Amrita Vidyalayam strives to enrich the lives of the students' in a holistic way. The curriculum adds qualitative content beyond the prescribed syllabus; maximizes student's progress in intellectual, spiritual, emotional, physical, cultural and artistic fields; emphasizes activity-based and experiential learning and focuses on self-exploration and learning through co-scholastic activities. We seek to develop in our students the ability to think beyond the boundaries of the classroom walls, the text in the books and exam marks. In fact, the objective is to shape a child's mind to learn not just for the grade he is in, but to learn for life.

The larger and long-term goal of the school is to produce skilled, ideal and compassionate citizens who will make constructive contribution to the society and nation. To achieve that the institution will continue to provide platforms and exposure to pupils of all cognition levels and calibers.

### **THE CULTURE OF THE SCHOOL:**

The core foundation of the school is to not only empower the children to meet life's

challenges, but to also trigger the spiritual quest in the students

On **GURUPOORNIMA** day every year, students' bond with their parents, in a traditional Vedic worship of the parent's feet.

**Guru Paduka Puja** is celebrated in Amrita Vidyalayam with great reverence. Guru Stotram and Ashtotaram are chanted by the teachers and students.

**Gita Chanting** classes are an integral part of the syllabus for Pre-Primary to V. Students from all grades participate in Gita competition each year to test their understanding of these holy verses.

**Value Education** is taught from Pre-Primary to 10th Grade to develop moral, cultural and spiritual values among children.

**Amrita Yoga** - The Annual Amrita Yoga Programme for Grades 1<sup>ST</sup> to 10<sup>TH</sup> helps the development of students in an aesthetic way and also guides them towards the spiritual domain.

#### **AYUDH: Awaken Youth; Unite for Dharma**

precautions are followed while transporting our students.

## **Coordination with CBSE**

The head of the school, plans to achieve quality bench marks in school education. CBSE website and circulars help in getting the latest news about CBSE announcement. The latest circulars are floated among the teachers. Teachers also participate in various CBSE Training Programme and Capacity building programme to build their capacity as educators

## **Preparation of Annual Plan**

Annual Plan preparation start in the month of January and kept ready before the next Academic session starts.

Annual calendar is prepared keeping in mind the celebrations, competitions, functions PTM, assessments and sports.

Discussions were held in the meetings held with all the staff members regarding the month wise distribution of the events.

As per the guidelines received by the CBSE Art Integration was included in the planning by the teachers. Examination pattern and text books were reviewed.

Teachers attended various Capacity Building Programs and workshops conducted by CBSE to update themselves.

## **Goals to Be Achieved - Annual and Long Term:**

In the beginning of each academic session, the school analyses and improvises the vertical learning progression plan. This year too, goals and objectives will be set with respect to each subject. It will be reviewed periodically to ensure that the students of all cognition levels reach the minimum level of learning. In addition to that, the meritorious students will be assisted with advance resources, so that, they keep soaring higher.

In addition to that, Amrita Vidyalayam has set the goal of reinstating the fading glory of Sanskrit language. We lay special emphasis on teaching and learning of Sanskrit language. It is a matter of great anguish that this language, which has been the most important medium in lending continuity to Indian civilization, is fast losing its distinction and significance. Unlike any other educational institution, this school teaches this language right from the kindergarten grade.
